DEAR PARENT/GUARDIAN,

For over 110 years, YMCA Camp Letts has been creating memories along the sandy shores of the Chesapeake Bay. Y Camp has become a summer tradition for many area families, with stories now being swapped across four generations. Several of our local and international “Role Model” counselors return year after year. Our Y Camp has evolved every year, and although the seasons change, and our alumni family grows, what remains the same is our commitment to building a child’s self-confidence, lasting friendships and bonds to a healthy lifestyle. Y Camp exemplifies youth development. Each YMCA Camp Letts camper gains fresh experiences viewing osprey soar above the tree canopy, exploring our 219-acre grounds, and accomplishing outdoor activities. We invite you to discover the Y, and create your own Y story along with your camper.

President & CEO
YMCA of Metropolitan Washington

DEAR CAMPER,

In 2013, we set a goal of making YMCA Camp Letts one of the best summer camps on the east coast. Since then, we have spoken to hundreds of campers and their parents, to get their feedback on what Camp Letts does well, and how we can be better.

Not only did we ask, but we listened! You asked for more activities, more time with your bunk mates, more independence to choose your activities, more great food and as much fun as we can pack into 6 days at camp, and we did it! We added more choices, more activities, more adventures and more opportunities to gain independence.

And rest assured, your favorite things to do are still at Camp Letts. Whether you are an alumni returning for your 10th year, or brand new to the camp family, we want you to experience the time of your life. Our campers spend the day sailing around Flat Island, hitting bull’s eyes at the archery range, and testing their strength at Gaga Ball. And, our Camp Letts Chef promises to cook up some tasty treats that will delight even the pickiest eater.

We invite you to be a part of our Camp Letts family this summer for a week, two weeks or even the whole summer. This is your time to try something new, make new friends, and be a part of something special.

Thanks for checking out YMCA Camp Letts for a memorable summer.

FOR MULTIPLE GENERATIONS YMCA CAMP LETTS HAS BEEN A TRULY SPECIAL PLACE, CREATING MEMORIES FOR THOUSANDS OF CAMPERS AND THEIR FAMILIES.

WHAT MAKES US SPECIAL?

We have taken care to develop a program that makes everyone feel welcomed, helps campers feel like they are a part of something bigger than themselves, and that they belong.

By creating a safe and caring environment where campers choose their daily programs, Camp Letts makes kids feel important, and you will see their confidence and sense of independence grow.

We see their delight when they try something for the first time, something no one else would have chosen for them, and we see their excitement as they tell their families about it on Fridays.

From the initial cabin meeting, to our Friday awards ceremony, all of our activities are value driven. Whether it’s one of our many field sports, down at the waterfront or arts and crafts, all of our activities promote Caring, Honesty, Respect and Responsibility. Our 2016 parent feedback shows that in just a single week at Camp Letts campers show improved social skills and the ability to make new friends.

“Camp Letts staff makes camp a home away from home! After moving abroad, we enrolled the children for a week when we were back in the US for vacation. Our kids counted down the days to see old counselors and friends, while going to what they consider to be one of the best camps in Maryland. Camp and the staff did not disappoint. Our campers were beaming and couldn’t wait to tell us about their days. The wonderful environment and wonderful staff make it certain that we will continue to go to Camp Letts year after year!”

OVERNIGHT CAMP

OVERNIGHT CAMP

AGES 6–16

Drop off Sunday 1:00–3:00pm and pick up Friday 4:00–6:00pm

At Camp Letts we have THREE GOALS for every camper:

1. Try something new
2. Make a new friend
3. Have fun!

We believe if you can do the first two, having fun is guaranteed.

TRY OUT CAMP

AGES 6–8

Drop off Sunday 1:00–3:00pm and pick up Tuesday 4:00–6:00pm

Specially designed for first time campers, this two night, three day stay at Camp is a great way to explore all of the fun we have to offer.

Let your counselors take you and your bunk-mates on a tour of just about everything we do at Camp. Canoe, kayak or sail the Rhode River, enjoy pony rides, learn a new sport and design a masterpiece at Arts and Crafts. We’ll take you sea-sledding, for a polar bear plunge at the pool, teach you campfire songs, reveal the secret of making the perfect s’more; and all of this while you make great new friends!
**ACTIVITIES FAIR**
At Camp Letts you choose! During the Sunday Night Activity Fair, you will choose up to three weeklong morning activities and a different elective for each afternoon. That will become your personal activities schedule for the week. Remember to try something new!

**MEALS**
You won’t believe the meal times here until you have experienced them. It’s almost impossible to describe the excitement. Why? Meals are the one time all the crews and the Crew Cup judges are in the same place. So shout, sing, and cheer your way to victory.

Not only will you get a chance to eat meals that taste too good to be “camp food,” but you might also get to try your first “hands free cake.” Many meal times at Camp have themes, so make sure you keep an eye on Facebook and our website for the spirit day calendar.

**MORNING ACTIVITIES**
The morning activities are your chance to acquire a new skill or master an old one. Every day you will receive the next step of a progressive lesson that might help you uncover a talent you didn’t even know you had. Programs are instructed by our diverse staff. Selected from all over the world for their experience and expertise, they will help you learn and grow. It’s no secret that our staff are the highest rated part of our camp, and the main reason many campers come back year after year! Friend us on Facebook to see who is returning for 2017.

**AFTERNOON ACTIVITIES AND CABIN ACTS**
The afternoons are your chance to explore all that Camp Letts has to offer. Monday through Thursday our fourth activity period is an elective period where you are able to choose a different activity each day. The second part of the afternoon is spent with your cabin or crew. The afternoon’s activities are designed to be a fun opportunity to try new things and get to know your bunk mates. Only time and imagination limit what you and your bunk mates can achieve.

**EVENING ACTIVITIES**
When the sun starts to set, Camp really comes alive. The evening is time for camp wide games and activities. The weekly games tie into the weekly themes, and are a chance to explore the parts of camp you may not have seen during the day. Our evening activities are also a chance to gain more points towards the Crew Cup.
TRADITIONAL DAY CAMP

AGES 6-13

Drop Off 8:30–9:00am and Pick Up 4:00–4:30 p.m. Daily

What are you doing this summer? Do you want to have a summer that will be the envy of all your friends? Then we are the place for you! Join us for an adventure to remember, where you will make new friends, try new things, and have a chance to spend time exploring the outdoors.

The great thing about Day Camp at Camp Letts is you get to choose. You will select up to three different activities each day. Choose from great activities like archery, basketball, canoeing, lacrosse, soccer, drama, zip lining, and much more! You could participate in 15 different activities in one week and still need to come back to experience them all. This gives you the independence to create your own summer adventure.

Want to spend time in the water? At Day Camp, you get to swim every day. Don’t forget every camper gets to go canoeing and take a ride on our giant inflatable Sea Sled.*

Are you curious about cricket or Gaelic football? Then why not ask one of our staff? Camp Letts staff come from all over the world. Some are from as far away as New Zealand and Australia, as far north as Finland, and as far south as South Africa; others are from right here in Edgewater. Ask them, and they might teach you games that you have only seen on television or may have never even heard of.

Each week is packed with fun and adventure, but if you need more, you can sign up for one of our specialty activities. Check out Horse Masters, wake boarding, and water skiing.

Each Thursday night we have an optional Day Camp sleepover. Join the overnight campers for dinner, evening activity, closing campfire, and breakfast before returning to Day Camp for your final day of activities. Staying over is great practice for a whole week of Overnight Camp in the future! Thursday night is like a giant sleepover as campers spend the night camped in Fisher Hall and the Boat House.

Parents are welcome to join us on Fridays at 3:30pm for our awards ceremony.

*Lego Robotics Day Camp

Enter the future by exploring the fantastic world of Lego Mindstorm Robotics! Create and build your own Lego Robot and then bring it to life. Only your creativity will hold you back.

As your skills progress, you will learn two point position, cantering on the lead, and possibly progress to jumping. Riders also participate in a weekly trail ride. Camp Letts’ experienced instructors will give you individual attention so you can harness the bond that will bring out the best in your horse. Horse Masters takes place in the morning and replaces all 3 of the morning activity selections.

Horse Masters requires participants to wear long pants and footwear with raised heels.

TRAIL RIDES*

(OVERNIGHT CAMPERS ONLY)

AGES 8–16

Enjoy a scenic trail ride with our riding instructors through our extensive wooded trails overlooking the Rhode River.

If you are curious about horse riding, but perhaps don’t want to sign up for a whole week, then this is a great introduction to riding. Perhaps you just want to do something a little different while at camp, then trail rides might be just what you are looking for. Trail rides take place in the afternoons and are limited to one trail ride per camper per week. Trail rides will replace one afternoon elective period.

*Horse Masters and trail rides are paid add-ons. Spaces in both programs are limited and often sell out before the start of summer. Early registration for both of these programs is recommended. See page 17 for pricing.

PONY RIDES

Day Campers have the opportunity to participate in a pony ride during their stay at Camp. This short ride requires no special equipment, and is a fun introduction to horse riding.
FIFTH ANNUAL
COLOR WAR
SESSION 9
After its introduction in the summer of 2013, the Annual Color War has become Camp Letts’ closing event, and for many, is the highlight of the summer. Taking place during the final session of August, it begins when we announce the team captains. Then the camp is split into two teams. From there, the RED TEAM and the BLUE TEAM battle through a series of contests that embody Caring, Honesty, Respect and Responsibility. Each afternoon the competition is different, but through the course of the week we will use all of the program areas that Camp Letts has to offer.

The week’s events take us from the waterfront to the barn and back, with tests of athleticism, general knowledge, dance, art, and creativity. Staff and campers will be tested to their fullest. They will need to demonstrate sportsmanship and teamwork as they strive to become the COLOR WAR CHAMPIONS!
INTRODUCTION TO SAILING

ALL AGES
Introduction to Sailing will give you your first taste of the open water. We will take you onto the river for an afternoon where you will learn from our experienced staff what makes a boat glide gracefully. Taught in small groups, this program is about having fun and building confidence on the water.

No extra cost: The cost of Introduction to Sailing is included in the registration price for Camp. It may be selected as a morning activity for day campers or as an afternoon activity for overnight campers.

SAILING ONE*

ALL AGES
Ahoy Mate! Sailing 1 is a weeklong beginner’s course that will teach you the basics of sailing and build your confidence on the water. You will learn how to sail your boat with just the wind as your motor. Discover the names for the different parts of the boat and how they work together. Learn how to rig and de-rig the points of sail, steering, tacking, and jibing. This program is an entry level program all about having fun while learning to sail.

SAILING TWO*

ALL AGES
For those of you ready to get serious about sailing, Sailing 2 is your step to becoming the next US Olympian. Our sailing instructors will guide you as you progress towards single-handed sailing in our Opti and Laser Fleets. Campers should have basic knowledge of rigging, boat handling, and points of sail before enrolling in Sailing 2. You will learn wind awareness, effects of tides and currents, and the finer points of sail trim while having fun on the water.

SAILING THREE*

ALL AGES
It is time to race! Sailing 3 is all about advanced boat handling. This level introduces jib sail handling. You will be introduced to racing tactics, starts, mark rounding, rules of racing, and much more. At this level you will spend most of your time on the water refining your skills and preparing for the Camp Regatta held each Thursday. Sailing 3 takes place in the afternoon 2:30–5:45pm.

*Sailing One, Two and Three are paid add-ons. These programs can sell out quickly, so early registration is essential. See page 17 for pricing.
SWIM SAFETY
PLEASE READ CAREFULLY
Safety is always our first priority. In order to participate in one of our waterfront add-ons (sailing, water skiing and wake boarding) all campers MUST be able to attain a yellow band in our swim assessment. To attain a yellow band your camper must be able to swim one lap of our pool (approximately 150 feet), and tread water for approximately one minute. Campers who are unable to demonstrate the swimming skills required to achieve a yellow band may not be able to participate in waterfront activities during their stay. YMCA Camp Letts recommends that campers wishing to participate in waterfront activities be taken to a swimming pool to build confidence in the water prior to arriving at Camp Letts. Refunds cannot be given to campers who are unable to participate in paid waterfront activities due to swimming ability.

CANOES AND KAYAKS
ALL AGES
Launch onto the Rhode River and start to explore. Journey to Monster Island on Bear Neck Creek, paddle around Flat Island to Sellman Creek, or explore the abundance of islands and inlets we have to discover! Learn to paddle, take part in capsize drills and perform a T-rescue—or just join our experienced instructors for an afternoon trip around our beautiful peninsula with your cabin. The choice of adventure is up to you!

No extra cost: The cost of canoeing and kayaking is included in registration fee for Overnight and Day Camp.

WATER SKIING AND WAKE BOARDING*
AGES 8–16
Hit the water with our water skiing and wake boarding instructors! Whether it’s your first time or you’re a free style pro, our highly trained staff are ready for you. Our program concentrates on individual skill progression and a true belief that anyone can learn to ski!

*Water skiing and wake boarding are paid add-ons. These programs can sell out quickly so early registration is essential. See page 17 for pricing.

SEA SLED RIDES
ALL AGES
Race across the water on one of our giant inflatable sea sleds. Each cabin will get the opportunity to experience the thrill of being pulled by one of our ski boats.

No extra cost: The cost of sea sled rides is included in the registration fees for Overnight and Day Camp.

AGES 11–16

Take a bird’s eye view of camp! Things look a little different from 35 feet in the air, and our ropes course will certainly change your perspective. Step out of your comfort zone and onto our multi-element course, where our skilled instructors will work with you to overcome challenges you never even thought possible.

No extra cost: The cost of the ropes course is included in the registration fee for Overnight Camp.

The Camp Letts High Adventure Course and the zip line are inspected annually by The Adventure Network and meet all standards set by the ACCT (Association for Challenge Course Technology). Our Adventure Instructors are trained to meet the standards set by the ACCT for high adventure staff.
ARCHERY
ALL AGES
Take Aim...
Sign up for a week of archery under the supervision of our USA Archery certified instructors. You’ll find out if you have what it takes to become a master archer. Alternatively, join us in the afternoon for a one hour introductory lesson.

The daily lessons are designed to introduce you to the basics of competitive archery. As you progress through the week, you will not only learn to shoot, but be exposed to all the critical elements applicable to competitive shooters.

The afternoon lessons are a more basic introduction focused on recreational archery, where you will compete against friends in a series of fun competitions.

No extra cost: The cost of archery is included in the registration fees for Overnight and Day Camp.

ZIP LINE
AGES 11–16
There is nothing more exciting at Camp than flying through the trees on our zip line. At 250 feet long, the zip line is sure to get your heart racing and confidence flying.

No extra cost: The cost of zip line is included in the registration fees for Overnight and Day Camp.

PAINTBALL*
AGES 11–16
Paintball is a nonstop, action packed activity for our older campers. Each of your five, 3 hour lessons begins with a clinic, where you can improve your skills and learn tactics from one of our instructors before dividing into teams and playing one of the many themed games on our wooded course reserved exclusively for paintballing. Our program focuses on individual and team tactics, problem-solving, group communication, and having a great time! We provide paintball markers, protective masks, and paint. No matter what your level of paintballing experience, our classes are thrilling and guaranteed to help you push your limits.

*Paintball is a paid add-on and spaces are limited. Early registration is recommended. Camp provides all the personal protective equipment required for paintball. However, we recommend that campers wear both long pants and a long sleeve shirt. Shoes with closed toe and heel must be worn at all times on the paintball course. See page 17 for pricing.

SAFETY
Camps are allowed every possible freedom within the limits of safety. However, as YMCA Camp Letts sits on a peninsula, aquatic safety is of the utmost importance. Each camper’s swimming skills are evaluated on the first day of camp to determine their abilities. Eligibility to sail, water ski and/or participate in waterfront activities is determined by each camper’s swimming abilities. All resident campers who receive our beginner swim band color (RED) will be encouraged to participate in our Swim Safety Program. The goal of the Swim Safety Program is to encourage each camper to increase their level of comfort in and around water and to help them advance to the next swim band level. There is no additional charge for participating in the Swim Safety Program. We encourage all campers to swim prior to coming to camp so that they are able to swim approximately 50 yards (150 feet) without assistance or stopping.

In the case of heat or inclement weather advisories activity schedules maybe changed to ensure the safety of our campers. All efforts will be made to make up any missed programming.

CAMP STORE
We do not allow campers to carry cash. Please add the camp store money into your camper’s account at the time of registration. The minimum amount to add is $5; store money can be used to purchase snacks and souvenirs from the Camp Store during the week. This account is used to purchase items from the Camp Store only. Money is automatically carried over if your camper is staying with us for multiple weeks. Any remaining money at the end of each camp session is donated to our 2017 Caring for Community fund. This fund enables children, who would otherwise be unable to attend YMCA Camp Letts, to attend through our scholarship program.

CHANGEOVER WEEKEND
Campers staying for multiple, consecutive sessions may choose to stay at camp for the weekend rather than check out on Friday. The cost of this changeover weekend is $100 per weekend. Campers will participate in special games and activities. Laundry service will only be provided for campers staying for more than 2 consecutive sessions.

TRANSPORTATION
Bus service for Overnight Campers is available between Camp Letts and the YMCA branches at Silver Spring (3900 Hastings Drive, Silver Spring, MD 20901) and Calomiris (1906 Allison Street, NE, Washington, DC). Transportation is $50 one-way, $100 roundtrip. Transportation should be selected at the time of registration and must be confirmed 10 days prior to your camper’s departure to camp. Sunday transportation leaves Silver Spring at 12:30pm and Calomiris at 1:00pm.

Friday transportation will return to Calomiris at 2:00pm and Silver Spring at 2:30pm. Transportation times are approximate and subject to change due to traffic congestion. Camp will confirm travel arrangements the Thursday prior to travel. Campers using Friday transport must be met at the bus by their parent or guardian.

Airport transportation is also available to and from BWI. Transportation should be selected at the time of registration. Travel itineraries must be submitted to camp one month prior to arrival. Camp is unable to provide transportation on any days other than Sundays and Fridays. Camp is only able to schedule transportation for flights that arrive or depart between 8:00am and 7:00pm. No transportation is available for day campers from any location. All transportation fees are non-refundable.

CELL PHONES AND ELECTRONIC DEVICES
It is our desire to keep camp an electronics free zone. We want campers to enjoy the moment and make new friends at camp without the distractions of social media and the intrusions of digital technology. (Camp Letts will always arrange for campers to make necessary phone calls.) Electronic devices are not permitted at camp and will be confiscated and returned to campers upon checkout. Campers using a cell phone or electronic devices at camp may be grounds for dismissal.

PHONE CALLS
Use of the telephone by campers is discouraged. Special arrangements are always made for emergencies.

REGISTRATION AND CAMP FEES
A non-refundable registration fee is required to reserve a space for each camp session. Overnight Camp: $150, Day Camp and Try-Out Camp: $50. The balance of the camp session fee, including camp store money and costs of all add-on activities must be paid in full no later than two weeks prior to the start of the camp session. Return checks or insufficient funds following electronic funds transfer are subject to a $25 fee.

PAYMENT PLANS, SCHOLARSHIPS AND FINANCIAL ASSISTANCE

American Express, Discover, MasterCard, and Visa Cards are accepted for registration and payments. After payment of your deposit your remaining balance can be broken into more manageable payments. You may set up an electronic funds transfer (EFT) from your credit card. All camp sessions must be paid in full two weeks prior to the arrival of your camper. YMCA Camp Letts strives to make its services available to all families. To apply for partial financial assistance, call 410-919-1400. Completed financial assistance applications must be received before April 20, 2017. Financial assistance is made possible by the YMCA’s Caring for Community fund.

If your child does not have a current membership with a branch of the YMCA of Metropolitan Washington, the non-member fee will apply automatically. Any changes made from the original application must be in writing and accompanied by a $25 change fee.

REFUNDS

Refunds are NOT available for the following reasons; dismissal, homesickness, late arrival or voluntary withdrawal. If it is deemed advisable by our medical staff to send a camper home due to medical reasons, a parent can request a pro-rated refund. A camper needs special medical treatment, medication, hospital care, or physician’s service during their camp session, his/her parents or legal guardian will be responsible for these payments.

INSECT PREVENTION PROGRAM

At YMCA Camp Letts, we care deeply about each camper’s safety and comfort during their visit to our camp. Campers are expected to enter camp at the beginning of a session and to remain until the end of that session. No reduction in fees can be made for late arrivals or early departures. There will be no refunds for “no shows” or cancellations made within 10 days of the session start date unless accompanied by a physician’s note. No refunds can be given for activities canceled due to weather conditions. The YMCA reserves the right to refuse any applicant and to cancel any registration.

Camper personal items left at camp at the end of each session are bagged and stored until the Friday after your camper’s session has ended. Please label all of your camper’s belongings. We recommend not sending new and/or valuable items to camp due to the possibility of being lost or left behind.

PROGRAM CHAMPIONS

YMCA Camp Letts would like to thank Annapolis Subaru for being YMCA Program Champions. Their generous support allows us to continue to provide services and programs that nurture the potential of kids and teens.
